Sentence	E	SC	E M S V	SC M S V
I love tomatoes.				
I want to grow some in my garden.				
I plant some tomato seeds in the ground.				
I water the seeds.				
The sun shines down on them.				
After a few days I see some small shoots.				
I water the shoots.				
The sun shines down on them.				
The shoots grow taller.				
They grow bigger leaves.				

Now my shoots are little plants.				
I water the plants.				
The sun shines down on them.				
The plants grow taller.				
I see some tomatoes.				
The tomatoes are green.				
They are not ripe yet.				
I water the tomatoes.				
The sun shines down on them.				
The tomatoes turn red.				
I can see they are ripe.				
It is time to pick them.				
I will eat them for my lunch.
