| Community Helpers                      |   |    |            |             |
| Here is a school. Inside are community |   |    |            |             |
| helpers. They are teachers.            |   |    |            |             |
| Job                                    |   |    |            |             |
| A teacher is someone who teaches       |   |    |            |             |
| students different things. They teach  |   |    |            |             |
| students to read and write. Teachers   |   |    |            |             |
| can also teach science, art, music and |   |    |            |             |
| sport.                                 |   |    |            |             |
| Dress                                  |   |    |            |             |
| Teachers around the world dress in     |   |    |            |             |
| different ways. Some teachers need to  |   |    |            |             |
| wear special clothes.                  |   |    |            |             |

| What to Teach                                |  |  |
|--|--|--|
| Teachers follow the <b>curriculum</b> . They |  |  |
| find fun ways to teach the curriculum.       |  |  |
| Some teachers teach one subject. Other       |  |  |
| teachers can teach many subjects.            |  |  |
| History                                      |  |  |
| Long ago, teachers and students had          |  |  |
| school in one room. Big kids and             |  |  |
| little kids all learned in that one          |  |  |
| room.  |  |  |
|  |  |  |
| A Typical Day                                |  |  |
| Teachers go to school early so they          |  |  |
| can get ready. In the morning, teachers      |  |  |
| have meetings. They get books to read        |  |  |
| and make activities for their students.      |  |  |
| During the day they teach students           |  |  |
| During the day, they teach students          |  |  |
| how to read, write and count. Some           |  |  |
| teachers watch the children play outside.    |  |  |
| Teachers give homework and tests. They       |  |  |
| look to see if the students are              |  |  |
| learning and tell mums and dads.             |  |  |
| At home, teachers mark students' work.       |  |  |
| They plan activities for the next day.       |  |  |
| Teachers are busy, busy, busy!               |  |  |
| How to be a Teacher                          |  |  |
| To be a teacher, you must take               |  |  |
| To be a teacher, you must take               |  |  |

| classes to learn how to teach. You            |  |  |  |  |
|---|--|--|--|--|
| need to love children and love learning.      |  |  |  |  |
| You need to care for others.                  |  |  |  |  |
| Conclusion  We need teachers because everyone |  |  |  |  |
| needs to learn. Would you like to be          |  |  |  |  |
| a teacher?                                    |  |  |  |  |
